

Outcomes and Attainments, the right way

OBE Attainment calculations simplified!

deQ OBE – a pioneering solution – helps to assess attainment of Program Outcomes (**POs**), Program Specific Outcomes (**PSOs**), and Course Outcomes (**COs**) in an **Outcome-Based Educational System** – comes with comprehensive coverage of learning journey that includes **Outcome Attainment reports, Batch Trend Analysis Report, Education Equity Reports** (Slow/Moderate/Advanced Learners) and **Outlier Analysis reports**, to name a few.

How deQ OBE helps HEIs

- Define POs, PSOs, COs and it's mapping strength.
- Guided by Bloom's Taxonomy
- Define attainment targets at HEI, Programme and Course levels
- Mapping of PO-CO and PSO-CO
- Enter scores for assessments, examinations, and activities
- Calculate OBE attainment at various levels

A photograph of three students walking through a university hallway. On the left, a young woman with dark hair tied back, wearing a striped shirt and jeans, carries a red folder and a blue folder. In the center, a young man in a dark blue button-down shirt and jeans walks with his hands in his pockets. On the right, another young man in a dark t-shirt and jeans walks. The hallway has brick walls and large windows, with sunlight streaming in. A blue rectangular box with white text is overlaid on the right side of the image.

How deQ OBE helps HEIs

- Trend analysis of cognitive skills and outcomes
- Live, continuous assessment tracking
- Intuitive dashboard for end-to-end OBE management
- Appraises effectiveness of teaching-learning processes
- Real-time insights that ease decision-making
- Promote Assurance of Learning (AoL)
- Progression Reports, Outliers Reports and Reports for Accreditation agencies

The Quality Stamp

Designed for quality-assured OBE processes

A transformative and adaptive Quality Assurance Tool for HEIs, it tracks and fires all quality initiatives in HEIs to assure that learning programmes are completely and continuously aligned to their goals.

Optimises quality processes

Saves time, money, resources

Betters quality of students

Impacts institutional renewal

Nurtures faculty empowerment

OBE Mentoring and Hand-holding Support

During implementation, IPSR provides continuous academic mentoring to help faculty: Design quality outcomes, Finalize mappings and assessments, Interpret attainment reports, Align programme outcomes with accreditation requirements

Expert academicians conduct hands-on training sessions for faculty on: Bloom's Taxonomy, OBE concepts and frameworks, CO-PO-PSO mapping, Assessment planning and rubric creation, Understanding attainment metrics and analytics

Process Discovery Workshops and handheld continuous mentoring by our top mentors will empower faculty and management of HEIs to completely grasp the quality processes, prioritise learning strategies that are involved in OBE and implement OBE efficiently in their organisation.

The IPSR Difference

Right from its origin, IPSR has remained rooted in the academic domain which has helped us build thought leadership and strategic solutions in managing academics. Our collective expertise has been culled from our longstanding relationships, a sound grasp of effective learning models like Bloom's Taxonomy, outstanding track record in crafting specialised outcome-defined courses, imbibing best practices in accreditation, assessment and teaching-learning.
